CUTTING

Cut garment pieces from knit as indicated on list of pattern pieces.

INSTRUCTIONS

Stitch seams with serger or use overedge stretch stitch on regular sewing machine. Stitch bottom hem and sleeve-edge hems with serger coverstitch or on regular sewing machine using e.g. double-needle, multiple zigzag or honeycomb stitch.

Design A: Fuse stabilizing tapes to back shoulder seam allowances (see p. 26) and stitch shoulder seams. Stitch ends of collar

piece together to form closed loop and fold collar piece in half, wrong sides together. Stitch collar to neckline, right sides together, stretching both collar and neck edge to produce an elastic seam.

Design B: Fuse stabilizing tapes to both front and back shoulder seam allowances (see p. 26). Finish raw edges of shoulder seam allowances. Stitch each shoulder seam from armhole as far as notch. Stitch one edge of front collar to front neckline, right sides together. Stitch back collar to back neckline in the same way.

Open zipper and pin one zipper tape to shoulder seamline and edge of collar, right
